## — PRESS —

NO ADDED SUGAR

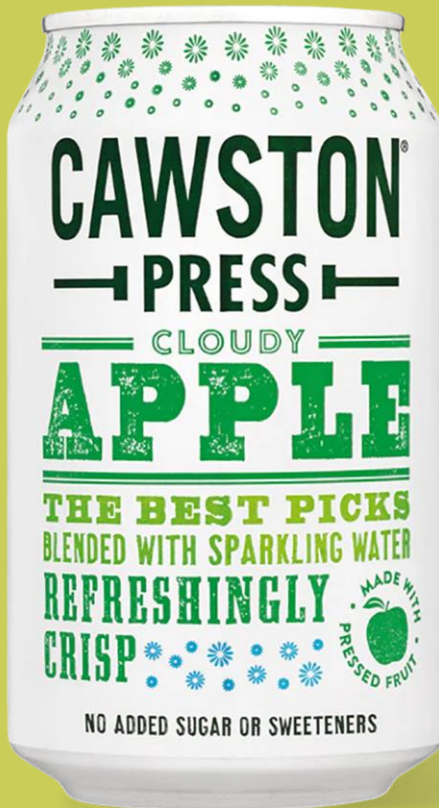

NO CONCENTRATES

NO SWEETENERS

NO SHORTCUTS

This year, Cawson Press are helping their friends at Fareshare by funding the equivalent of 140,000 meals and providing 100,000 of their little juice cartons to those who need it most.

Cawston Press have always taken pride in doing things properly. That's why they are launching their 'pressing for better' sustainability action plan: 10 clear commitments for people and planet.

# Prodigy™

Prodigy are the UK's first plastic negative chocolate bar. In April 2021 Prodigy announced a partnership with rePurpose Global to help counter the pollution of plastic.

This means that for every Prodigy chocolate bar sold they fund the removal of 10 ocean bound plastic wrappers from the environment.

Prodigy's flexible packaging materials are compostable and made from plants. There is absolutely no plastic anywhere. because all their products are 100% plant based they have a low carbon footprint

# BOUNDLESS

& Gluten Free**

**Under 100 Cals  
Per Pack!**

**Delicious,  
Flavourful Pea  
Popped Chips**

**We Give Back  
& in a BIG Way**

**Colossal  
on Crunch**

At BEPPS they make delicious healthy, plant based snacks that are low calorie, vegan friendly and gluten free. At BEPPS they believe in giving back and they don't just donate thousands of packs of BEPPS to food banks across London each. But they have partnered with a great school in Ghana, St Nicholas Academy Mission school where they sponsor 5 amazing kids through school, aged between 5-9 years old, through every bag of BEPPS bought by you.

At CHIKA's, They're more than just a snack brand; They're a community of flavour-seekers who are giving back. They are all about empowering our women and girls. The CHIKA's Girls Rotation Programme helps secure their future for today, tomorrow, and beyond.

**Gluten Free**
