24/7 Markets

Our markets are open 24/7 offering fresh food, snacks, and beverages. The market in NOC4 will receive an enhanced menu with new offers such as 'heat and eat' meals and sushi. A new, temporary market will be available in NOC5 in the Starbucks corridor with a robust selection of grab & go offers including salads, sandwiches, sushi, snack boxes, fruit, yogurt and more!

Starbucks

The renovations in NOC5 will not affect the Starbucks store. We will be open daily serving your favorite coffee and craft beverages. Our store will also be equipped with the full range of Starbucks food offers including breakfast items, pastries and sweets, as well as grab and go lunch items and protein-packed snacks. Starbucks is open from 7:00 AM – 4:00 PM, Monday through Friday.

Catering

Our on-site team will continue to provide catering services anywhere in the building during the renovations. We will have a limited, temporary catering menu which will be made available on our [website](#) along with contact information on how to order.
