Lip Balm

Natural lip balm in bamboo case. SPF 10.

Dermatologically tested.

Flavour: Vanilla.

What makes it sustainable?

Buying an item made of bamboo instead of normal wood is a lot more sustainable because bamboo regrows in three years, while trees can take decades to regrow once they are cut.

Not to mention that bamboo self-regenerates from its own root system, so there is no need to replant it.

Vanilla Candle

Vanilla fragranced wax candle in glass with a bamboo lid, presented in a paper tube gift box. Make the house smell nice with this vanilla scented candle. Close the candle off with the bamboo lid when you are not using it to make it a more natural looking decoration. Burn time: 40 hours. Bamboo is a natural product, there may be slight variations in colour and size per item, which can affect the final decoration outcome.
